CLIENT TESTIMONIALS

“Bruce Bathurst and the TRICO Evolution team have been producing signage and banners for our conferences and meetings for 5 years now. Bruce has a great understanding of Meeting Planner issues (deadlines, last minute changes), and he is the only supplier who takes the time to make sure I get exactly what I need. He and the team are always accommodating and flexible, they always deliver on time, and the quality is excellent. In short, they make my life much easier!”

CLIENT TESTIMONIALS

“CFHI has worked with TRICO Evolution since 2012, and we are never disappointed with the efforts of their team. We entrust a wide variety of print and display projects to the TRICO Evolution team – custom exhibit booths and banner stands for our conferences and forums, our corporate prospectus and special reports, training course diplomas, and more. Steve Hutton manages our day to day communications requirements, and David Shackleton jumps in for special projects and follow ups. TRICO stands behind their work, and it’s obvious to us that they look after their people, so they in turn can look after us.”
